

# Miss California 2009

Where's their so called  
Freedom for each  
That gives us Christians  
Freedom of speech

In reading God's word  
Can it be found  
That Jesus even  
Once was cowed down

Where are the Christians  
Why do we not act  
When a statement is made  
That's a Bible fact

Miss California  
You are not alone  
Your very words prove  
You're one of God's own

Jesus make Your church  
One within Your hand  
To support this brave  
Women's faithful stand

Where's their so called  
Freedom for each  
That gives us Christians  
Freedom of speech
